March 1983

Dear Applicant,

I have received your request for information regarding employment with The Original Computer Camp, Inc. Enclosed is an application for 1983 summer employment. The categories of positions available include camp directors, program directors, counselor/recreational leaders, and computer instructors. As indicated on the reverse side of this letter, the term of employment varies as to the camp site location.

Please return the completed application to me immediately, as our goal is to have all camps staffed by April 15, 1983. Please indicate whether it is possible for you to be in Santa Barbara for an employment interview, as we prefer to see the most qualified applicants in person.

If you have any questions regarding employment, please contact me at (805) 969-7871, or if you are outside of California you may call our toll free number, 800-235-6965. Thank you for your interest in The Original Computer Camp!

Sincerely,

Karen E. Ritchie
Personnel Director
